Presidents Message:

Hurricane Irene

Richard is off helping victims of hurricane Irene so he can't write you a message this month. We hope that Richard will be very careful and help a lot of people get their insurance claims filed!

Closer to home, we had a good meeting in August organized by Will Pate and others called "Jigs n' Things. We saw a lot of jigs and other interesting things in the program.

Pictures of the event are in this newsletter.

Well it's September already and the deadline for Christmas ornaments is... uhhh let's see... October! Gee that's only a month away! So please get going on the ornaments so we can get the three hundred plus we need to decorate the tree. On the back page of the newsletter we have various ornaments shown to give you ideas on what you can make, from simple to very elegant.

Don't miss Maurice Clabaugh's presentation at this months meeting. He always does an excellent job.
