At the May meeting, the round-robin woodturning demos were a big hit as usual. Photos are on P. 3. The raffle for the \$100 gift certificate was carried over to the June meeting.

Richard Serviss is asking for volunteers to help out with the things that make our association successful. We need volunteers to help with the cameras for the video images to make the demos easier to see and to record them. We sell the videos for \$10 to members. It is easy to do and you get the best seat in the house for the demos! Also, we need help cleaning up after the meeting—hang around and help out. Thanks in advance.

Ebony dowels:

If you missed out on the dowels or want more we are getting up another order. It takes 200 or more to get the price break and I believe we already have a word of mouth interest in 150. If you want some (or more), see Richard Serviss.

Phil Fortmeyer brought a trailer load of wood to the last meeting and everyone helped themselves! Phil will bring more wood to the next meeting so bring your truck or trailer. As for the guy laying in the truck bed, he was either caught getting too much wood, or he was getting his back checked out by our own chiropractor, Dr. Fortmeyer.
